

NEVADA GIRLS STATE  
SENATE JOINT RESOLUTION NO. 11

Memorializes the 2015 session of the Nevada Legislature to enact legislation that will create a program to generate an appropriate minimum wage based off the economic position and stability of the United State and Nevada.

WHEREAS, Currently, there is no appropriate formula by which to decide upon a minimum wage; and

WHEREAS, The current minimum wage is not equal to the gross domestic product, consumer price index, inflation, or cost of living; and

WHEREAS, The proposed minimum wage has not been cautiously reviewed and could potentially cause a recession in the Nevada economy; and

WHEREAS, A steady minimum wage is the basis for economic recovery, stability, and security within Nevada; and

WHEREAS, This program would follow the consumer price Index, real and nominal gross domestic product, cost of living, inflation, depressions, and recessions of Nevada and the United States; and

WHEREAS, Implementation would occur through a new government sector, such as a Nevada Reserve Bank; and

WHEREAS, People would be appointed and qualifications for appointment would be similar to those required of those currently leading sectors of the Federal Reserve Bank; and

WHEREAS, This program could also monitor other influences on the economy, such as the Nevada-specific discount rates and the reserve rate; and

WHEREAS, This would create a more efficient economy that parallels the society's economic state; and

WHEREAS, No state prior has ever implemented and/or enacted such legislation but it is calculated to be extremely satisfactory; therefore, be it

RESOLVED BY THE GIRLS STATE OF NEVADA, assembled in Carson City on July 3, 2014 that the 2015 session of Nevada Legislature is hereby memorialized to enact legislation that will create a program to generate an appropriate minimum wage based off the economic position and stability of the United State and Nevada.
