

NEVADA GIRLS STATE
SENATE JOINT RESOLUTION NO. 6

Memorializes the 2017 session of the Nevada Legislature to enact legislation that will require all doctors all opioid prescriptions to report to a central location for the purposes of reducing unnecessary addictions.

WHEREAS, Opioid prescriptions are frequently made for the purposes of pain relief; and

WHEREAS, Prescription pain relievers have become dramatically more used by physicians in the state; and

WHEREAS, A large number of users of pain medication have become subjected to addictions; and

WHEREAS, Users can currently avoid detection by going to multiple doctors who are not subject to any type of central reporting; and

WHEREAS, The cost of addiction treatment is a significant burden on our social programs and insurance companies; and

WHEREAS, There is an increase number of addicted persons turning to heroine as a substitute for their addiction; and

WHEREAS, User's families are greatly impacted emotionally and financially; and

WHEREAS, Drug companies will be obligated to provide funding for central reporting to prohibit multiple prescriptions; therefore be it
