

**NEVADA GIRLS STATE
ASSEMBLY BILL NO. 8**

AN ACT that will mandate an integrated special education system to help special needs students into other programs or preparing to enter the workforce.

Section 1: This will help special needs students be exposed to options for after leaving the school district.

Section 2: Every two years since the child is entered into the school system the student and parents will attend a meeting with special needs teachers or be made aware of options, the special needs students have and creating a plan for the child that can be revised.

Section 3: A class will be made available to see if special needs students are able to be integrated into regular high school classes.

Section 4: Classes that regular high school students take to prepare them for the workforce will be available to special needs students with modification if needed.

Section 5: This act will be effective upon passage.
