

NEVADA GIRLS STATE
ASSEMBLY BILL NO. 21

AN ACT that will require kill shelters in Nevada to have a mandatory wait time of at least two weeks before euthanizing an adoptable animal.

SECTION 1: Many people do not notice their pet is missing by the time a shelter has euthanized the animal, such as with outdoor pets or if the owner was on a vacation when the pet went missing.

SECTION 2: This will increase the amount of animals that could be adopted from shelters, helping to decrease the puppy farm industry and similar industries that profit off of the mistreatment of animals.

SECTION 3: This ACT will be effective upon final passage.
