

Nevada Girls State Transportation Info

All delegates to Nevada Girls State must complete the Transportation Policy form in the Waivers Packet. Read the instructions for the travel itinerary below, as it pertains to everyone at some point. Please note that all times are **approximate**. The suggested times are meant to get you there early, so that you will wait for the bus instead of the bus waiting on you. Times may change depending on the need for additional or fewer stops. The staff on the bus will do their best to keep you informed of any changes.
